

Contextualized Learning Activities (CLAs)
Information/Communications Technology
ENG 4C - English

Art and Culture - Information/Communications Tech
Effective Communication Skills

Students will learn about and develop the skills associated with oral presentations and meet the communication skills expectations in ENG 4C. Students will prepare an oral presentation on a the SHSM-related topic or the topic from the Critical Analysis CLA.

Students could also use their experience at a SHSM seminar or training as their topic.

Students will use a structured outline and a checklist assessment to develop their presentation.
