

## How it Works

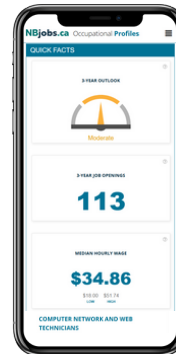

Students access our content engagement platform in the classroom and at home via the **Daily Quiz** or the **Mindful Modules**. Answer multiple choice questions and earn points!

**Daily Quiz:** A 10-question career exploration activity.

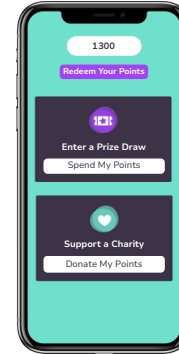

**Mindful Modules:** Courses designed to improve youth awareness around essential topics to prepare for life outside the classroom.

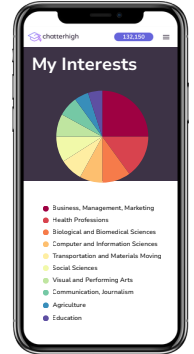

Learners access question content from anywhere

Research the answer using reputable resources

Earn points to win prizes or donate to charity

Students unlock interest reports and Educators monitor activity

## Extras!

### Competitions:

Schools and students can take part in Competitions to win cash prizes! Competitions are based on answering Daily Quiz questions or on a specific Mindful Module. You can learn about upcoming or ongoing competitions in your account.

### Personalized Interest Reports:

Marking their interests along the way, students collate insights and expand their self-awareness through personalized reports that provide them with additional Labour Market Information (LMI) and pathway information.
